LOU Shu-hua MA Chao

College of Marxism Jilin University Jilin Changchun 130012

Ideological and political education of College Courses is a conceptual innovation and practical exploration of cultivating talent of high moral standards. As an important task for colleges and universities in the new era the development of ideological and political education must follow national education guidelines and policies focus on right goals try to resolve problems and difficulties and work toward the correct direction. Each and every course should aim to incorporate ideological and political education into the teaching process and endeavor to set a good example for other courses.

The New Era Ideological and Political Education in All College Courses Ideological and Political Education Curriculum Cultivating Talent of High Moral Standards
